Chinese Language Teachers' Association of NT (CLTANT) Inc

ABN 33 804 170 123

Chinese Language Teachers' Federation of Australia (Inc)

2021 CLTFA National Conference

The 26th National Conference of the Chinese Language Teachers' Federation Australia (Inc) will be held in Darwin on Friday 1st and Saturday 2nd Oct. 2021.

This conference has played an important role for Chinese language educators from primary, secondary and tertiary schools since it was initiated in 1994. It provides great opportunities for educators, including community schoolteachers, to share knowledge and ideas, to build up a network connection and to access most recent research results in linguistics and education.

The theme of this conference is **New Approaches to Chinese Language Education During and Post Covid-19.**

The Keynote Speakers are: Professor Boping Yuan, University of Cambridge, Great Britain. Professor Yutaka Furukawa, Osaka University, Japan. Professor Yang Zhao, Beijing University, China. Professor Richard Rigby, Australian National University.

It is our plan to organise workshop presentations during the conference and hence we are calling for presenters to register now.

This national conference was supposed to be held in July 2020 but was postponed due to Covid-19. It is a great opportunity for us to be back on track and reunion.

It's also a fabulous chance for our sponsors to provide their support to Chinese language teaching and learning and to promote their products.

Please find the useful information (accommodation and travelling will be updated soon) from our website:

<https://www.cltant.org/events>

Please register for the conference using the links below:

The first 50 online registrants will get a \$50 registration discount.
